

Wood Shop Assembler | 1st Shift

About this Position:

The assembler puts the parts together in the wood shop. Safety is always #1 and ShoreMaster leads the way when it comes to workplace safety. You will have the opportunity to cross-train and be an integral part of ShoreMaster's company-wide culture of process improvement. With a 4 day, 40-hour work week, you get Friday's off to relax and unwind, and there is the potential for overtime as well - so you get the best of both worlds!

You will be responsible for:

- Maintaining work flow in the wood shop
- Assembling items according to spec
- Quality control
- Moving Materials
- Keeping Shop clean
- Contribute to continuous improvement culture
- Strictly follow safety policies, procedures, rules and safe work methods, along with making safety suggestions to support continuous improvements in safety
- Other duties as assigned

Skills & Qualifications:

Must be able or willing to:

- Fork lift certification
- Knowledge of:
 - Product lines
 - Hand tools
- Ability to read work orders

Are you the Right Candidate?

If you are highly motivated, and believe you would be a good fit as a Machine Operator in our plastic rotational molding plant, then we would love to hear from you! To apply, please send your resume to hr@shoremaster.com or apply in person at 1025 International Drive, Fergus Falls, MN.

ShoreMaster, LLC is an equal opportunity employer
