

Machine Operator | Aluminum Plant | Day Shift

We currently have openings in our aluminum plant for a machine operator. The shift hours are 6 a.m. to 5 p.m. Monday through Thursday with overtime on Fridays. We are looking for good people with a team attitude and the ability to work in a fast-paced environment. If you want to be a part of the team that is producing the industries finest welded aluminum docks, boatlifts, and accessories, we would love to hear from you.

About this Position:

The machine operator is responsible for any assigned general labor and for using power tools to fabricate or produce parts. Safety is always #1 and ShoreMaster leads the way when it comes to workplace safety. You will have the opportunity to cross-train and be an integral part of ShoreMaster's company-wide culture of process improvement.

You will be responsible for:

- Moving parts to various areas as required
- Fabricate aluminum parts using a variety of power machines and hand tools, assembly of various items
- Set up a variety of machines to cut, drill, punch and grind a variety of aluminum parts, preparing them for welding or as finished products
- Read and follow a blueprint, as well as the ability to properly read and use a tape measure
- Keeping Shop clean
- Strictly follow safety policies, procedures, rules and safe work methods, along with making safety suggestions to support continuous improvements in safety
- Contributing to continuous improvement
- Other duties as assigned

Skills & Qualifications:

- Safely use power tools and basic hand tools
- Maintain quality and necessary quantities
- Fork lift certification
- Use Personal Protective Equipment (PPE)
- Manual labor requiring significant physical exertion and consistent need to lift, pull, push, carry up to 75 lbs

Are you the Right Candidate?

If you are highly motivated, and believe you would be a good fit as a Machine Operator, we'd love to hear from you!
