

## **Truck Loader | Aluminum Plant | Day Shift**

We currently have openings on our team for truck loaders. The shift hours are 7 a.m. to 5:30 p.m. Monday through Thursday with overtime on Fridays. We are looking for good people with a team attitude and the ability to work in a fast-paced environment. If you want to be a part of the team that is producing the industries finest aluminum docks, boat lifts, and accessories, we'd love to hear from you.

### **About this Position:**

The truck loaders are responsible for the loading of finished product to be shipped out. Safety is always #1 and ShoreMaster leads the way when it comes to workplace safety. You will have the opportunity to cross-train and be an integral part of ShoreMaster's company-wide culture of process improvement. This position does work in all weather conditions outdoors and may require long hours at certain times of the year.

### **You will be responsible for:**

- Loading of finished product to be shipped to customers
- Product quality must be maintained
- Unloading of materials to be made into finished product
- Final packaging
- Yard cleanup
- Available to work with all product lines
- May work as general laborer if main duties are slow
- Contribute to continuous improvement culture
- Strictly follow safety policies, procedures, rules and safe work methods, along with making safety suggestions to support continuous improvements in safety
- Other duties as assigned

## **Skills & Qualifications:**

Must be able or willing to:

- Become fork lift certified
- Detail oriented and an effective time manager
- Handling some heights is necessary
- Elevated awareness of surroundings due to working in high traffic areas with trucks and fork lifts
- Able to interpret load sheets
- Operate a bander & other small hand tools
- Manual labor requiring significant physical exertion and consistent need to lift, pull, push, carry up to 75 lbs

## **Are you the Right Candidate?**

If you are highly motivated, and believe you would be a good fit as a Truck Loader, we'd love to hear from you!
