

Sewing and Fabrication Specialist/Day Shift/New York Mills

We currently have openings at our Fabrics Division in New York Mills for a Sewing & Fabrication Specialist. The hours are 7 a.m. to 5 p.m. Monday through Friday. We are looking for good people with a great team attitude. If you're looking for a small team environment, this is the place to be! You would be part of a team producing the industries finest accessories for boat lifts, etc.

About this Position:

You would be responsible for producing boat lift canopies and other sewn products. **No sewing experience necessary – we'll teach you!** Safety is always #1 and ShoreMaster leads the way when it comes to workplace safety. You will have the opportunity to cross-train and be an integral part of ShoreMaster's company-wide culture of process improvement.

You will be responsible for:

- Strictly follow safety policies, procedures, rules and safe work methods, along with making safety suggestions to support continuous improvements in safety
- Sewing boat lift canopies and other projects as assigned
- Fabric welding, cutting and sewing assembly
- Maintain sewing machines and production equipment

Skills & Qualifications:

- Detail oriented and an effective time manager
- Individual shall possess average written and oral communication skills
- Be willing to learn cutting, welding and sewing technology. Demonstrate competent proficiency over training period and beyond
- Ability to lift up to 60 pounds occasionally and 50 lbs frequently

Are you the Right Candidate?

If you are highly motivated and believe you would be a good fit as a Sewing & Fabrication Specialist at our Fabrics Division, then we'd love to hear from you! To apply, please send your resume to amy.sobieski@shoremaster.com or call us at 218-385-2003 and ask for Amy in Fabrics. Or Complete a ShoreMaster Employment Application at:
