

## Machine Operator | Aluminum Plant | Night Shift

We currently have openings in our aluminum plant for a machine operator. The shift hours are 4:30 p.m. to 3:00 a.m. Monday through Thursday with overtime on Fridays. We are looking for good people with a team attitude and the ability to work in a fast-paced environment. If you want to be a part of the team that is producing the industries finest welded aluminum docks, boatlifts, and accessories, we would love to hear from you.

### **About this Position:**

The machine operator is responsible for any assigned general labor and for using power tools to fabricate or produce parts. Safety is always #1 and ShoreMaster leads the way when it comes to workplace safety. You will have the opportunity to cross-train and be an integral part of ShoreMaster's company-wide culture of process improvement.

### **You will be responsible for:**

- Fabricating aluminum parts using a variety of power machines and hand tools, assembly of various items
- Set up of a variety of machines to cut, drill, punch and grind a variety of aluminum parts, preparing them for welding or as finished products
- Read and follow a blueprint, as well as the ability to properly read and use a tape measure
- Moving parts to various areas as required
- Keeping Shop clean
- Strictly follow safety policies, procedures, rules and safe work methods, along with making safety suggestions to support continuous improvements in safety
- Contributing to continuous improvement including following safety procedures and rules, and making safety suggestions, and working with team members to improve processes
- Other duties as assigned

### **Skills & Qualifications:**

- Safely use power tools and basic hand tools
- Maintain quality and necessary quantities
- Fork lift certification
- Use Personal Protective Equipment (PPE)
- Manual labor requiring significant physical exertion and consistent need to lift, pull, push, carry up to 75 lbs

## **Are you the Right Candidate?**

If you are highly-motivated, and believe you would be a good fit as a Machine Operator in our aluminum plant, then we'd love to hear from you! To apply, please send your resume to [hr@shoremaster.com](mailto:hr@shoremaster.com) or call us at 218-998-2316 for more information.
