

Aluminum Production Welder | Aluminum Plant | Night Shift

We currently have openings on our team for an aluminum production welder. The shift hours are 4:30 p.m. to 3:00 a.m. Monday through Thursday, with overtime on Fridays. We are looking for good people with a team attitude and the ability to work in a fast-paced environment. If you want to be a part of the team that is producing the industries finest aluminum docks, boat lifts, and accessories, we'd love to hear from you.

About this Position:

Responsible for using a variety of arc and gas welding equipment to fabricate or produce product. Safety is always #1 and ShoreMaster leads the way when it comes to workplace safety. You will have the opportunity to cross-train and be an integral part of ShoreMaster's company-wide culture of process improvement. With a 4 day, 40-hour work week, you get Friday's off certain times of the year, and there is the potential for overtime as well - so you get the best of both worlds!

You will be responsible for:

- Welding metal parts together using both gas welding and any combination of arc welding process.
- Position and clamp together components of fabricated metal products preparatory to welding
- Quality control
- Grinding
- Keeping shop clean
- Organize finished product
- Load pallets with finished product
- Contribute to continuous improvement culture
- Strictly follow safety policies, procedures, rules and safe work methods, along with making safety suggestions to support continuous improvements in safety
- Other duties as assigned

Skills & Qualifications:

- Process improvement
- Attention to detail
- Operate MIG welder & eventually MIG
- Read a tape measure, work orders & prints
- Operate a forklift
- Manual labor requiring significant physical exertion and consistent need to lift, pull, push, carry up to 75 lbs

Are you the Right Candidate?

If you are highly motivated, and believe you would be a good fit as an Aluminum Production Welder, we'd love to hear from you! To apply, please send your resume to hr@shoremaster.com or call us at 218-998-2316 for more information.
